The screenshot displays the 'Karnel Travel' dashboard with a sidebar menu on the left containing options like Dashboard, Customer, Hotel, Resort, Restaurant, TouristSpot (highlighted), Travel, Booking, and Feed Back. The main content area is titled 'Add a new Tourist' and includes a breadcrumb 'TouristSpot | Create' and 'Discard'/'Publish' buttons. The form is divided into two main sections: 'TouristSpot Information' and 'TouristSpot Description'. The first section contains input fields for NAME, ADDRESS, and dropdown menus for HOTEL, RESORT, and RESTAURANT, all currently set to 'No Select'. The second section features a rich text editor with a toolbar (undo, redo, paragraph, bold, italic, link, unlink, list, quote, video, etc.) and a large text area. To the right of the description is a 'Hotel Thumbnail' section with a placeholder image showing a wavy line and a 'CHOOSE FILE' button.
